

Project Launch

Anyone, Anywhere, Any Time on Any Service Transportation Study

Funded by a grant through the Administration for Community Living and administered by the Community Transportation Association of America

Please join the Des Moines Area Metropolitan Planning Organization's Transportation Advisory Group in a project launch event for the "Anyone, Anywhere, Any Time on Any Service" transportation study, in support of improving transportation options for lowans with transportation challenges living in Boone, Dallas, Jasper, Madison, Marion, Polk, Story and Warren Counties. Enjoy tasty treats and free giveaways as we introduce a project that will work toward addressing the transportation needs of persons with disabilities, seniors, refugees, low-income, job seekers, homeless, minorities, youth-in-transition and formally incarcerated individuals. **If you or someone you know is faced with transportation challenges, this event is for you!**
